

Certificate of Safety

Company Chan & Chan

M/S Chan & Chan is hereby certified as the Most Improved company for the Month of June 2011. Chan & Chan has shown good efforts in improving their safety aspects since they started work on site. We appreciate their effort and encourage them to keep on improving the good work as being evident during PGIs conducted by C913P or Inspections conducted by the Main-Contractor for the month of June 2011.
